

ROSE JEL CLEANSING

Remove makeup safely and effortlessly with no irritation.

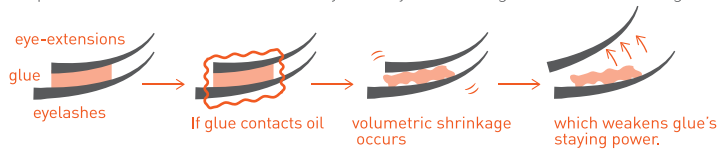

It brings natural brightness to your skin

This oil-free cleansing is suitable for eye-extensions.

It can also be used for removing water blue mascara. It not only removes makeup, but also it restores a healthy glow to your skin. It has the relaxing aroma of roses.

This gel type cleansing does not dissolve glue.

*Exposure to the oil would affect the cyanoacrylate in the glue and reduce the glue's holding power.

Before

After

The product can remove dullness of the skin and shapes up your whole face.

It contains haloxyl, which is highly effective for improving the condition of the eyes. Common skin problems such as dullness, wrinkles, and pouches can also be treated. The ceramide contained in the citron extract protects eyelashes after cleansing. Moreover, blending 22 different types of plant extracts shapes up your face.

22 Different Plant Extracts

Tension and Elasticity

Palmitoyl tetrapeptide-7, Palmitoyl oligopeptide, Glycine, Glutamic acid, Alanine, Lysine, Threonine, Proline

Water Retention and Moisturizer

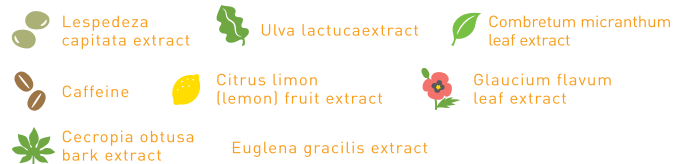

Stopping skin from becoming dry and flaky

Brings Softness and Smoothness

Tightening

Moisture and Brightness

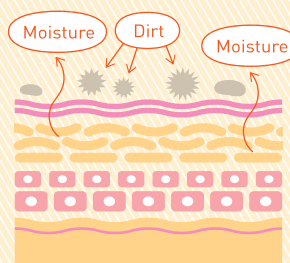

After cleansing, your skin keeps its moisture and smoothness.

Cleansing with an amino acid thoroughly works. Surfactant agents do not seep in horny substance too much. Ceramide and NMF (growth factor) retains moisture. Glycyrrhizic acid improves your skin's condition.

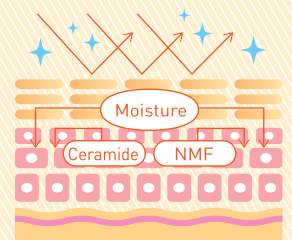

The benefits of glycyrrhizic acid, which is used by doctors:

1. anti-inflammatory action
2. anti-allergic action
3. clears up blemishes
