TINTIN EN AMÉRIQUE

En voiture, vite!
Poursuivons-le!...

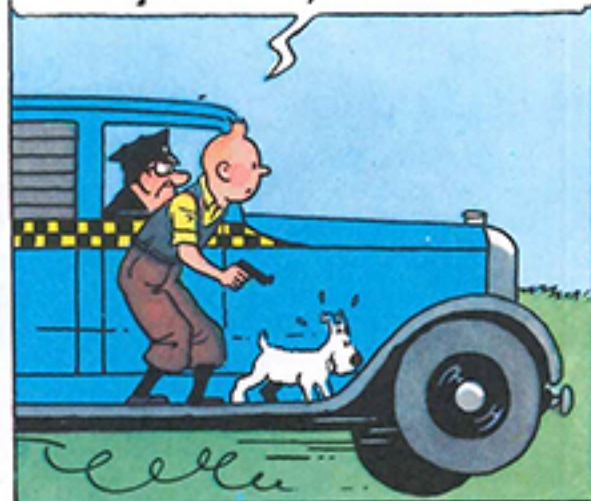

Voilà, prenez ce pistolet...

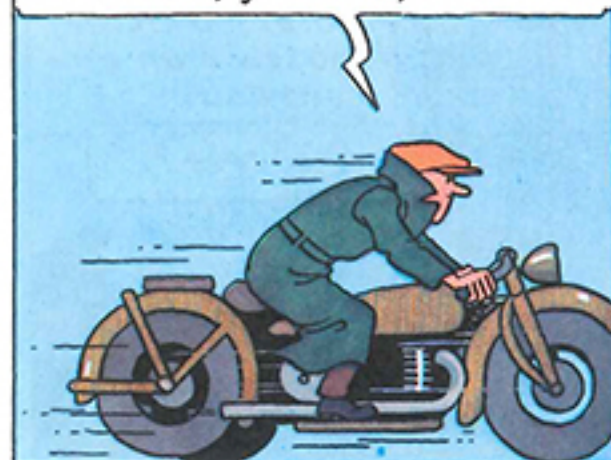

Merci...

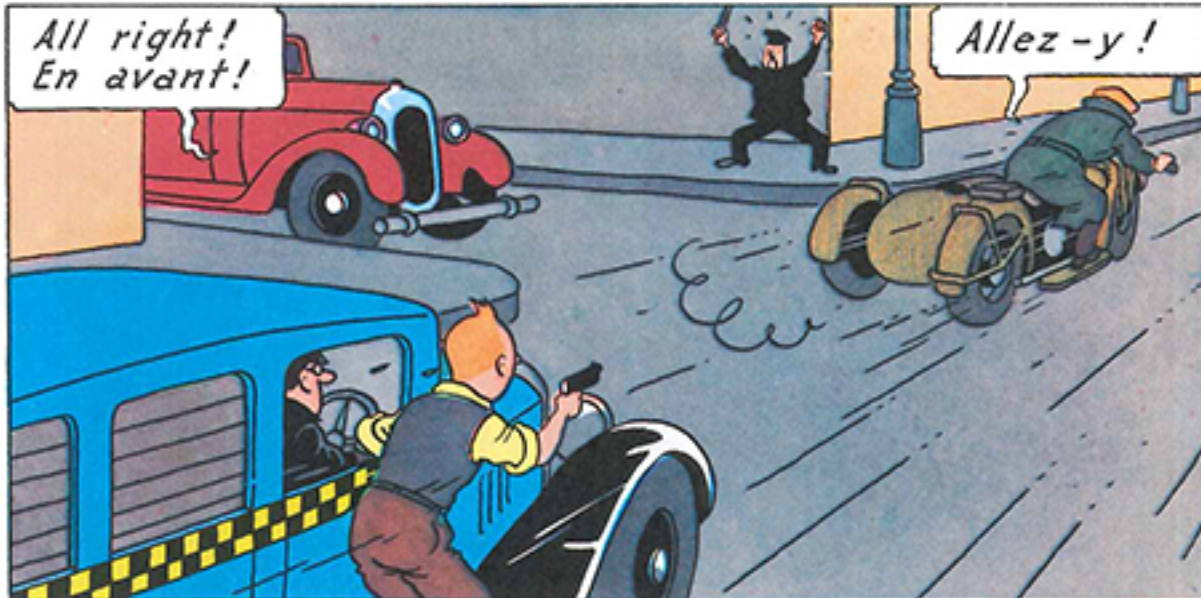

Nous approchons de la ville...
Ne le perdons pas de vue...

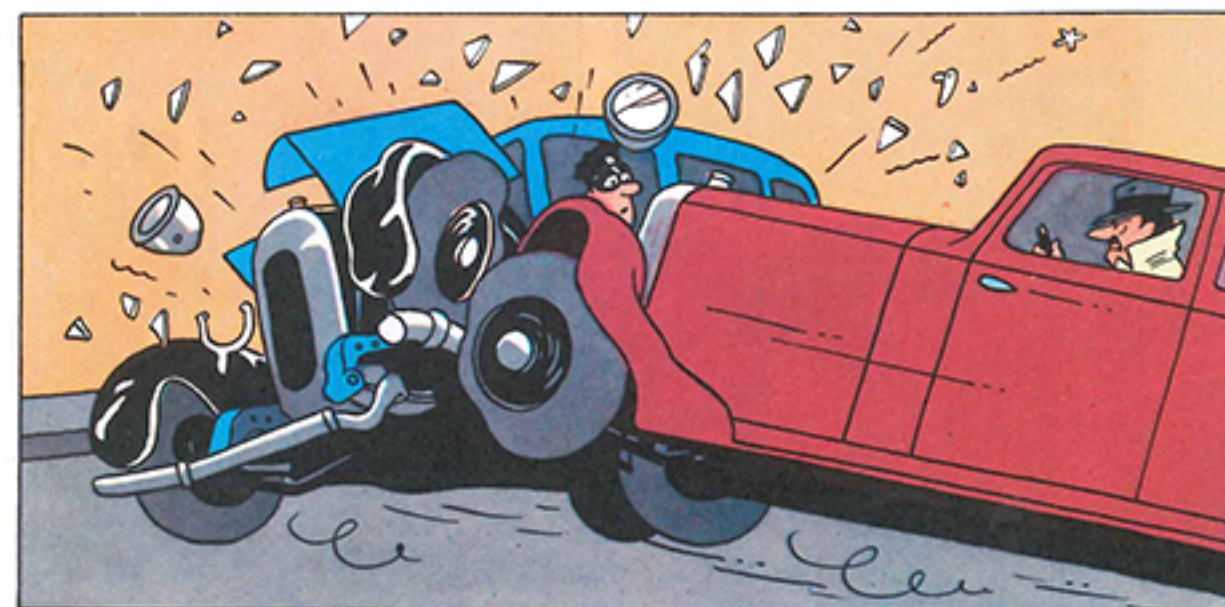

Pourvu que Tom se trouve
là avec la voiture de choc,
sinon, je suis pris!...

All right!
En avant!

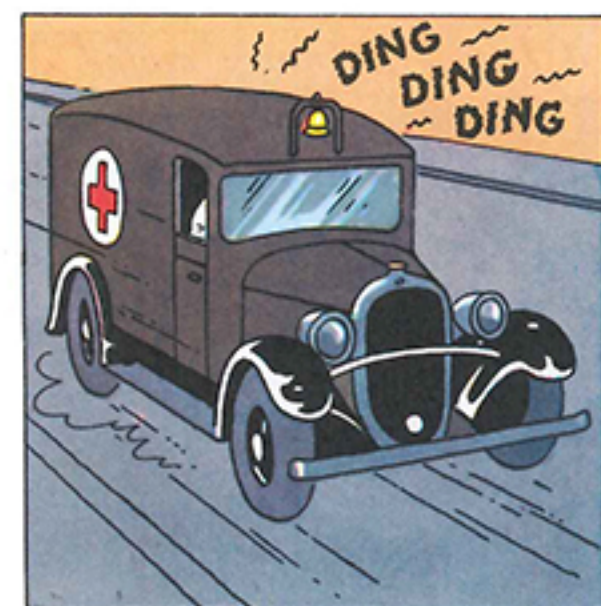

Allez-y!

C'est un taxi, conduit par des
policiers, qui a été pris en échar-
pe par une autre voiture...

Quel terrible
accident!

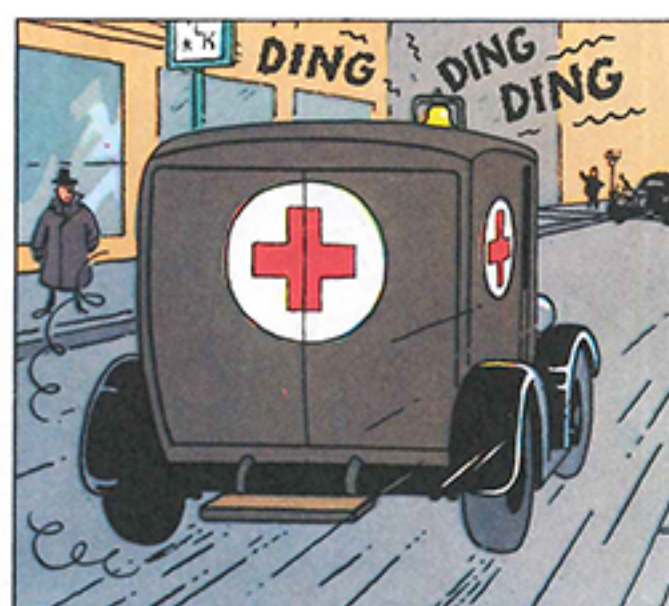

Quel
choc!...
