

Emissions Factors Questionnaire

Note that before receiving the file you will have to fill in the questionnaire below so it is better to do this before purchase to avoid any delay in receiving the data. This will help us determine what licence you need to purchase and if you need to also sign a contract and pay an additional fee.

1. Are the data used for the reporting

- a) Only within your company?
- b) Within your affiliates?
 - How many affiliates do you have?

1-5	
5-20:	
20-50:	
51-100	
Above 100:	

- c) For entities beyond your company?
- d) Other – please explain

2. Do you intend to copy the data or put the data into a tool or software application?

If so please explain how the software works

3. a) How many of your staff will have access to the IEA data (or any reproduction of the IEA data) or access the tool where the IEA will be integrated?

b) Are these staff in different locations?

4. Is the tool shared with clients?

If yes explain how

5. If you have clients, approximately how many clients do you do this for?

1-2	
3-10:	
11-15:	
16-25:	
26-50:	
51-75:	
76-100:	
101- 200:	
Above 200	

6. On average, how many final reports do you estimate are produced for each client?

1-5	
5-20:	
20-50:	
51-100	
Above 100:	

7. Are the factors reproduced in client documents?

If yes please explain.

8. Do you wish to publish the factors elsewhere in documents that would be disseminated more widely or online in some way?

If yes please explain.

9. How many end-use reports are produced based on the data?

1-5	
5-20:	
20-50:	
51-100	
Above 100:	

Please send the completed questionnaire to DataSales@iea.org. We will then be able to indicate if we can give permission for your intended use and which licence is appropriate and/or if a contract and additional fee is incurred.
