The image shows a technical drawing of a replica sign for the Meitetsu railway system. The sign is rectangular with a white background and black text. The text is arranged in two lines: the top line reads '犬山經由' (Inuyama via) and the bottom line reads '新岐阜・新可児' (Shin-Gifu · Shin-Canai). The sign has a width of 770 units and a height of 270 units. There are four corner cutouts, each 40 units wide. The Meitetsu logo is located in the bottom right corner of the sign.

犬 山新鶴沼
日本ライン 新可児

The image shows a technical drawing of a replica system board (レプリカ系統板) from the 7000 series (7000系⑨). The board is rectangular with a width of 770 units and a height of 270 units. It features a central area with large, bold Japanese characters: '犬' (Inu) on the left, '山' (Yama) in the middle, and '新鶴沼' (Shin-Tsurunuma) on the right in the top row; and '日本ライン' (Nihon Rain) on the left, '新可児' (Shin-Kanari) on the right in the bottom row. The board has four corner cutouts, each 40 units wide. There are also two small rectangular cutouts on the top edge and two small circular cutouts on the left and right edges. The MEITETSU logo is located in the bottom right corner.
