犬 山新鶴沼
日本ライン 新可児

The image shows a technical drawing of a replica system board (レプリカ系統板) from the 7000 series (7000系⑨). The board is rectangular with a width of 770 units and a height of 270 units. It features a central area with large, bold Japanese characters: '犬山新鶴沼' (Inuyama Shinsenji) on the top line and '日本ライン 新可児' (Nippon Line Shinko) on the bottom line. The board has four corner cutouts, each 40 units wide and 40 units high. There are also two small rectangular cutouts on the top edge and two small circular cutouts on the left and right edges. The MEITETSU logo is located in the bottom right corner.
