Product Features

Wrap Yourself in Light. A New Beauty Ritual, Seamlessly Blending Into Everyday Life.

From Exidéal, the pioneer of LED beauty devices, comes a cutting-edge mask-type LED device designed to care for the face, neck, and scalp with one sleek tool. Our uniquely engineered structure delivers triple-zone care, while a proprietary LED program—combining red, yellow, and blue wavelengths—targets a wide range of skin concerns. Hands-free and designed with an open view, this device enables multitasking beauty care during your daily life.

1 Triple-Zone Care Device

Engineered for versatility, this device treats the face, neck, and scalp—eliminating the need for multiple tools. Efficiently care for three key areas where signs of aging and stress often appear.

2 Hands-Free Design

Enjoy beauty care while multitasking. Watch TV, work, or relax, all while your skin is being treated—making advanced LED skincare easy to integrate into a busy lifestyle.

3 Adjustable LED Bars

Featuring Exideal's exclusive movable LED bar, designed for both beauty and functionality.
The four movable LED bars deliver wide coverage despite their compact size, and close neatly for tidy store after use, their excellent ventilation ensures comfortable, long-lasting use without discomfort.

4 Unique LED program

Exidéal's original light care programs combine red, yellow, and blue LEDs to target a variety of skin concerns. You can switch programs with a single switch, and you can get real beauty treatment in just 4 minutes.

5 Pulse irradiation

High-speed pulse realizes much more momentary energy than regular direct-current instant irradiation.
