

# [Preliminary Version] Compatibility of Nikon S Contax C outer claw lens adapter (as of October 2020)

○ : Can be Attached / × : Cannot be Attached

△ : Care must be taken because the lens and sensor surface are in close proximity and may interfere because of individual error.

RAYQUAL

## Contax C Mount lens (outer claw)

### [Precautions]

- Above compatibilities are not absolute. The result may vary depending on the lens manufacturing lot and camera body type (model). (Reference purposes only)
- Fitting of lenses by a third party, such as Russia, may be too tight. Do not forcibly attach.
