Medicine Cabinet
K-3073

Technical Information
All product dimensions are nominal.

Notes
Install this product according to the installation guide.

When determining the height of the medicine cabinet, ensure the mirrored door will clear all obstacles (such as a faucet). A minimum distance of 2" (51 mm) is required.

Secure the screws (provided) to a stud to avoid possible property and product damage. If this is not possible, anchors (not provided) must be inserted before installing the screws.

This cabinet is designed for either right or left door swing. Check for obstructions.

Roughing-in opening for recess-mount installations: 19-1/4" (489 mm) x 25-1/4" (641 mm) x 3-15/16" (100 mm).
