The image features a central product shot of a dark glass bottle of '50% Reduced Salt Dashi Stock'. The bottle has a white label with Japanese text and a gold award seal at the top left that reads '2019年 減塩専門店 減塩つゆランキング 第1位'. To the right of the bottle is a large speech bubble containing the text '様々なお料理を おいしく減塩!!'. Below the bottle and speech bubble are four small square images showing various dishes: a bowl of miso soup with vegetables, a bowl of vegetable soup, a bowl of ramen with a tempura topping, and a bowl of chicken and vegetable soup. A red circular badge at the bottom center of the product area contains the text '化学調味料 無添加' (No chemical seasonings added).
