## Sticker Pain Care & Improvement of Athletic Performance

# Re-So Beam® Sticker Type

- To adjust the body before workout
- To loosen up troubled area (shoulder, back, leg, joint, stomach, etc...)
- To heal muscle fatigue
- To heal stiffness of head, neck or shoulder from long deskwork

Special manufacturing method on the adhesive surface (Re-So Technology)

## Re-So Technology TOTAL 36 PROCESSES

have been applied on the adhesive area.

The sticker helps you to refresh your body from inside and improves the biological balance of your body to make you feel better.

### Heal and Revitalize the applied area and the peripherals

Re-use lactic acid continuously as an energy source

### Adjust the mitochondrial activity reaction

Inducing ATP production, the source of vital energy

※ATP is 'the only source of vital energy' in the body of living creature.

### 4 Main Features

### Special technology is used to enhance the quality of Enzymes and Minerals

Apply the reaction of the biologically active substances (necessary for vital force promotion) to active status

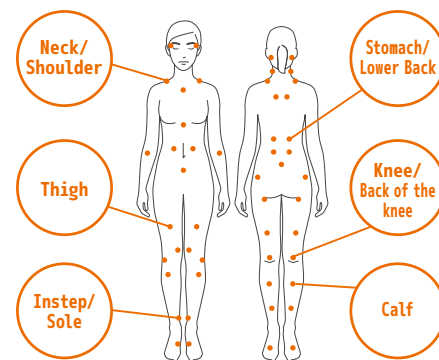

### Healthier Body from Inside!

Our original technology to purify and remove the obstacles

# For Your Exercise! For Your Daily Maintenance of Health!

[ Caution ]

- Please do not use on the irritated area of the skin.
- Please handle with care when using for children.

## We have received many messages of surprise.

### It's not only for pain, right?

I have aged eyes. When I put the chips on the back of my ear lobes, I can read newspaper and I can watch TV clearly. (Mr.H)

### The rumor was true.

I heard the rumor that it cures menstrual pain, so I tried. I put it below my navel. Then my belly got warmer in 20-30 minutes and the pain passed away. (Ms.N)

### Sample my grandchild got for me at a sports festival.

The sticker is so small! I didn't believe at first, but my terrible knee pain has got much better. I can enjoy walking now. (Ms.N)

### Tension from my pulled muscle disappeared!

I didn't take it seriously, but I could feel the effect right after I put it. So surprising! (Mr.S)

### Muscle cramp in the thigh did not happen at all!

Muscle pain is slighter on the area I put Re-So Beam. So surprising! (Mr.T)

### OK all the time of the race.

I had a goose's foot, but with the Re-So Beam, I felt no pain. (Mr.I)

### My tennis elbow was very painful...

But the pain went away in about 1 hour. How surprising! (Mr.M)

## The cycle road race champion, Ryo Sasaki's favorite!

【His Accomplishment in 2019】

- Winner\_Mt. Fuji Hill Climb; Host Selection Race
- Winner\_Kawasaki Marine Enduro; King of Enduro 5 Hour Solo
- Winner\_JBCF Tsugaiko Kogen Hill Climb E1
- 2nd Place\_JBCF Fujisan Hill Climb E1
- Winner\_JBCF Shuzenji Road Race E2

I mainly use it for knee pain (including the prevention purpose) and muscle fatigue. It works really well especially for knee pain (such as goose's foot, runner's knee, jumper's knee). By applying it constantly, the knee pain and joint creak reduced, and completely disappeared in two weeks. Now I use it for the prevention of knee pain and relief of muscle fatigue after exercise.
